

## OUR LADY OF KIBEHO

**Kibeho, Rwanda** is the place of the first Marian apparition in Africa, which was recognized by the Church in 2001. Our Lady came to remind us of the Gospel of her Son. In her messages for the world she pleads: *Pray, convert your heart, give deep testimony of the Christian suffering, pray the Rosary of the 7 Sorrows which means to love God and your neighbor.*

## FATHER LESZEK, MIC

Father Leszek is a member of the Marian Fathers and has served the Rwandan Church for the past 24 years. With his community, he has accomplished many mission projects in Rwanda. He is working in Kibeho for the last 10 years in the Marian Formation Center, one mile from the Shrine of Our Lady. His community works for the Spiritual and Marian development and the social works including the building of a Primary School, a Medical Center, Bakery and other charity works.

## EVANGELIZATION THROUGH MEDIA

We continue to evangelize. Our Marian Center has connected with the International Mary of Nazareth Center in the Holy Land. Other Marian Center projects have already been launched at Guadalupe (Mexico), Aparecida (Brazil) and Qattara (Lebanon). The main goal is to evangelize through media. With the spiritual support of the Bishop, our Superiors and the Foundation of the Evangelization through Media, we are working for the construction of The Kibeho Marian Evangelization Center.

*Once complete, millions of visitors will be guided through 5 Cinema Theatres that will present the history of Salvation, the life of Jesus, Mary and St. Joseph and the Church after Pentecost.*

Photos are taken at the International Marian Evangelization Center in Nazareth. This same presentation is included in our project plans and costs. Our hope is in God and the people of good will.

At the Marian Evangelization Center in Kibeho will be collaborating with the largest Christian network, Aleteia.org to further evangelize and discover the *truth* about our faith.
